Dear Keli –

Thank you for working together with the legal team on building out a technical solution.

I want to let you know we are planning to continue its use at Takeda.

It will take some time to implement on our myTakeda legal page, and will be subject to a customary IT testing and approval process, etc. As I mentioned earlier, we normally work through professional service providers for these types of projects and we will soon focus on the Shire integration, so it may take some time to begin the testing phase for our team. But I wanted to let you know about our decision and that we are satisfied with the app.

Please let me know if you have any other questions. Otherwise I'll see you when we return from the break. Happy holidays!

Thank you!
